

My New Identity

Too often our feelings become the authority in our lives instead of the fact of God's Word. At that point we must choose to count as true the facts about ourselves as declared in God's Word, regardless of wrong thinking and feelings. As we continue to do this, trusting and walking in the power of the Holy Spirit, God begins to make real in our experience what is already true about us in our identity. We must keep in mind that this is an ongoing process.
